

***USMA Class of 1971 Tom Martin Shootout
A-GA-Ming Golf Resort – Kewadin, MI***

16-19 September, 2024

Ladies Daily Rules

1. Scramble Format :

***all drive off tee.**

***select the best drive and all play second shot from within “one club length” of selected drive [no closer to the hole]. [Use the longest club anyone has.]**

*select the best second shot.....and so on until a ball is holed.

**max score reportable is a team triple bogey.*

2. “One club length” Rule : applies to all shots and all conditions [fairways, roughs, bunkers, greens....everywhere !] Place (do not drop) the ball in all cases. You do not have to stay in the same condition. Just be sure you do not get closer to the hole.

3. “Get out of Bunker Free” Rule : You may take *free relief* from any bunker by placing the ball anywhere on the straight line of play *away* from the cup through the spot where it lies in a bunker. [You must still have to play *over* the bunker.]

4. Skill prizes : There will be a TEAM prize for closest to the pin on a par three on each side. **ALL TEAMS : Please estimate the distance to the hole of your team’s best shot and record it along w/ your team name on the “Ladies Closest to the Pin” marker.** [If one team is closest on both holes, the 2nd closest team overall will be awarded the prize.] The closest ball need not be on the green, but be sure to leave the marker where it can be seen by the following team. The last team thru should pick-up the marker and return it to Tom or Arch at the end of the round.

5. Entry fee : \$10 per round.

6. Carry Obstacle : If all attempts fail to clear a given “carry” obstacle, you may place your ball just on the far side of the hazard or obstacle (e.g. ravine or pond), add one stroke to your score and play on.

7. Ties broken first by the back nine score and then regression from the 18th hole.

8. Please turn in your scorecard to Arch or Tom at the end of the round. Just in caseArch’s cell # 706-464-4675.

Keep up with the group in front of you and..... have fun !
